Designed to protect you when the unforeseeable arises.

Sentinel Portal Fund D&O insurance made simple

Ed's easy-to-use online portal makes it very simple to generate Fund insurance quotes and buy-and-bind policies, with immediate effect, in a matter of minutes:

Streamlined underwriting process, providing instant quote and binding ability for Fund D&O, Fund PI and Fund Entity Cover.

All quotes and documentation are provided via email and are accessible on the portal, which acts as a central repository.

Ability to implement run-off terms, adjust policy information, cancel a policy and now the renewal process couldn't be simpler.

Very competitive premium options for limits up to 20m in multi-currency – additional limit options can be discussed.

Market-leading policy wording, written by in-house lawyer with over 20 years Insurance Law experience. Primary basis, meaning policy will respond in the first instance in event of a claim.

Access to underwriting capacity provided by Lloyds' of London Syndicates (A+ S&P rating) chosen for their financial stability and excellent claims handling service.

Access to one of the most experienced policy formation, broking and claims teams in this sector – on hand to help.

Members of Sentinel benefit from Fund insurance analytics and sector updates to help guide them through the insurance purchasing process.

1. Get started

Access granted and user provides 7 key pieces of Fund information

2. Get terms

Why Ed is your best partner

Our identity: Attitude and personality. We're something different in the market. We look different, sound different and act differently.

Our people: The concentration of talent we have within our organisation is hard to find anywhere else. Our organisation is structured to make doing a great job easy.

We're client centric: We're where our clients need us to be, when they need us. It's all about them. Their success is our success.

We're innovative: The insurance industry has a reputation of being slow to adapt to new technologies and ways of doing things. That's not the case at Ed.

Our global broking strategy: We have access to markets across the globe, allowing us to match our clients with the best carriers for their risk.

Our independence: We have zero conflict with our clients.
